Protective Face Visors Range

VISOR WITH LIFTING COVER

Protective mask with a lifting cover, attached to the band with screws with a knob for adjusting the shield lift.

The band has two velcro fastening straps, both on the back and from the top of the head, allowing a perfect fit of the mask to the head. The glass is made of transparent PET with high transparency, protected with a protective foil removed before use. The strap has a soft foam that allows a better fit and affects the comfort of use.

- » transparent glass 0.7-1 mm thick, protected on both sides with foil, transparency about 95%
- » glass resistant to alcohol-based disinfectants
- » 0.7 mm white PVC headband
- » red Velcro fastening straps on the back and from the top with head circumference adjustment
- » shield fastened to the band with plastic screws tightened with the knob
- » shield with the possibility of lifting to any position
- » shield has a food certificate and flame retardancy B-s1 d0
- » 32/24 cm flat fast, cut into a shape that facilitates turning the head - comfortable wearing mask thanks to soft foam and low weight of 120g
- visor for self assembly - bulk packed

Price: €13.95 (+VAT)

Delivery: 6 Days

Delivery cost: up to 100 units is €18 .

PROTECT ME™
